DOING A GOOD TURN

By Dylan, Troop 113 Historian

On a recent Saturday, Boy Scouts from Troop 113 (Somerset) came to lend a hand at the Franklin Township Food Bank at 60 Millstone Road. They brought with them 120 pounds of food that they had collected from other members of the troop and friends and neighbors.

The scouts participating were from Hawk and Pegasus patrols. They were Sergey, Caleb, Shawn, Brendan, Tyler, Dylan, Mike, Pat, Isaiah, David and Stephen.

Caleb and I washed dishes, and I helped stack boxes of noodles on shelves. Then I helped Sergey stack soups on the other side of the rack. Later, I also helped Shawn clean the floor. Other scouts helped stack boxes and cans of different kinds of food all around the food bank warehouse.

Troop 113 meets Tuesday evenings from 7:30 to 9 p.m. at Somerset Presbyterian Church, 100 JFK Boulevard, Somerset. For more information, visit the troop Web site at www.Troop113.com.
