The Troop Program and Outings Schedule contains the following information:

Month	The Troop year starts in September and ends after Summer Camp. There are no Troop Meetings in July & August; however, there might be some other activities as announced.
Program Highlights	This column lists the skills that will be taught during the Troop Meetings. There are three basic skill levels that are listed: Basic Skills (B), Advanced (A), and Eagle (E). A skill level of "*" indicates that a class will not be conducted but the topic will be discussed with the entire Troop. Each month, each Scout will be placed in the lowest skill level designation that applies. Thus a Scout could be in the <i>Basic</i> class one month and then the <i>Advanced</i> class the following month.
Troop Meetings	This column lists the dates of the Troop Meetings and any special events that will occur during the Troop Meeting. Courts of Honor (abbreviated as "COH") are listed in this column.
Events	This column lists the dates for all Troop Outings. Certain trips, marked as (Ltd), are restricted to Scouts of at least First Class rank, and may have other requirements. For example, the Canoe Trip is limited to Scouts of at least First Class rank with Swimming MB and Canoeing MB.
Community Calendar	This column lists selected national, state, community, or religious holidays. Some of the many training opportunities are also listed here
PLC	Patrol Leaders Council meetings. Opened to all First Class Scouts and above.
TCM	Troop Committee Meetings.
SMC	Scoutmaster Core Meetings.
( Initials )	Initials of Adult Leaders supporting an outing.
< Initials >	Initials of Junior Leaders who will lead an outing.
